

## Testing Information for High School Students

Potential Dual Credit and Collegiate High School students that are not TSI exempt must take the TSI Assessment in order to participate in the programs. TSI testing vouchers are issued to potential students and can be used to take the exam at their High School.\*

### Voucher Requirements

**Step 1:** Go to [www.applytexas.org](http://www.applytexas.org), fill out the 2-year college application to College of the Mainland which generates a required COM student ID in 3-5 business days.

**Step 2:** Go to [www.com.edu/tsiapp/](http://www.com.edu/tsiapp/), complete the state-mandated TSI Pre-Assessment, and print out/screen shot the certificate at the end.

**Step 3:** Take your TSI Pre-Assessment certificate with your COM ID number (seven-digit number) to your high school counselor or a College Connections Advisor.

**Step 4:** Your voucher will be ready for you on test day at your school.

*\*Notice: In compliance with THECB regulations all first-time-in-college students who are not exempt via SAT or ACT must take ALL PARTS of the TSI Assessment. (Use of Calculators is prohibited on the Math section of the TSI.)*

Re-testing must be completed at the COM Testing Center and testing fees will apply. Once you arrive please sign in at Window#1. Please allow adequate time to complete your assessment during testing hours. **Retest Policy: If you fail to meet the college readiness level after two attempts, you must wait 14 days before retesting on that section.\*\***
