Medical Assistant	Average Median Salary	Percentage of Growth by 2022
Houston Region	\$33,126	3%
Texas	\$28,550	3%
National	\$29,960	3%

About COM Program

The Medical Assistant Program provides an entry-level education for individuals looking to get a start in the medical profession. Medical assistants are allied health professionals who assist the physicians in the medical setting. They perform routine administrative and clinical tasks in order to keep the physician's office running efficiently. This program is taught at the North County Learning Center in League City.
