

Testing Information for High School Students

College of the Mainland offers all potential Dual Credit, Collegiate High School students, and College Connection Seniors a one-time, free test to be used at their high school or at the College of the Mainland Testing Center. Students will receive their free TSI voucher upon completion of the required steps listed below.*

Steps to receive a free TSI test voucher

Step 1: Go to www.applytexas.org and fill out the 2-year college application to College of the Mainland which generates a required COM student ID in 3-5 business days.

Step 2: Go to www.com.edu/tsiapp/ to complete the state-mandated TSI Pre-Assessment, and print out/screen shot the certificate at the end.

Step 3: Take your TSI Pre-Assessment certificate with your COM ID number (seven-digit number) to sign up for the testing date at your school with your high school counselor or a College Connections Advisor.

Step 4: Your voucher will be ready for you on test day at your school.

Notice: In compliance with THECB regulations all first-time-in-college students who are not exempt from SAT or ACT must take **ALL PARTS** of the TSI Assessment.

Missed your school's test day?

Email hsvoucher@com.edu and include your COM ID number. A TSI voucher will be emailed to you to bring to the COM Testing Center to use during testing hours.

(Testing verifications can be given if examinees need to test during their high school hours.)

**Use of Calculators
are prohibited on the
Math section of the TSI.**

*Students cannot use a free test voucher to retest for a section. If the student has paid for their exam or has scores from other academic institutions that means they have forfeited their eligibility for a free test voucher.
