

Emergency Medical Services Department

1200 Amburn Rd., Texas City, TX 77591 (409) 933-8036 Fax www.com.edu/ems

General Information

College of the Mainland (COM) offers courses for students looking to be certified as an EMT-Basic, EMT-Intermediate and EMT-Paramedic. The Associate of Applied Science degree is also available for those students wanting to become a Licensed Paramedic. COM's EMS program is nationally accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) based upon recommendation from Committee on Accreditation of Educational Programs for the EMS Professions (CoAEMSP).

Admissions Requirements

- 1. All information and required paperwork can be found at www.com.edu/ems.
- 2. Complete an application for admission into College of the Mainland (www.com.edu "Apply Now"), and complete any necessary college requirements (such as TSI Placement testing-- http://www.com.edu/testing-center/tsi-assessment) for admission. Call 409-933-8264 if you have any questions about the application.
- **3.** Students must have a **clear background** to be eligible to register for classes.
 - a. Follow the instructions on the LAST PAGE of THIS PACKET.
 - b. Once you have submitted a request for a background check, your name will pop up on the department administrator's list of applicants. You will be contacted after your background check is complete. You will be advised when your registration form is ready for pickup and in-person registration.
 - c. Students that have incidents on their background, excluding traffic tickets, should contact the EMS department to discuss any background issues.
- 4. Students must pass an **initial drug screen**. Forms you need are attached to this packet.
- 5. Students must also collect the items listed on PAGE 3 of this packet. <<DO NOT SUBMIT THESE PRIOR TO CLASS>>. During the <u>first week of school</u>, you be given further directions. **NOT having these requirements completed will lead to an "F" in the class, so prepare your materials NOW.**

Federal Background Checks—State Certification

All initial EMS applicants for certification are required to submit fingerprints for an FBI criminal history check. **This is separate from the COM EMS Program Requirement**. Please visit http://www.dshs.state.tx.us/emstraumasystems/CrimHxJan2010.shtm for more information.

Student Responsibilities PRIOR to beginning classes

CLINICAL Pre-Course Requirements

COMPLETE Clear Criminal History Background check (SEE INSTRUCTIONS, CertifiedBackground.com—last page)
AFTER completion of Criminal History, obtain signed registration form (you will be emailed when it is ready); register for classes.
Get picture taken and obtain COM student ID (located in the gym)
Obtain an AHA-HCP CPR certification (ONLY American Heart Association HEALTHCARE PROVIDER CPR is acceptable)—expiration MUST be after the end of the semester in which you are attending EMS class. You may call 409-933-8586 to inquire about classes available through COM.
Complete drug screen—starts on page 5 of this packet
Purchase Textbooks (you may find ISBN numbers for online ordering at www.com.edu/ems)
GATHER THE FOLLOWING ITEMS —additional instructions will be provided the first week of class.
Completed Physical Exam Form (with acknowledgement of physical requirements)
Current statement of a negative TB skin test or negative chest x-ray report
PROOF of immunizations: see last page of Physical Exam Form
 MMR2 inoculations or antibody titer Varicella (Chicken Pox)—inoculation or history of disease TdaP (tetanus/diphtheria/pertussis)—inoculation within last 10 years Hepatitis B—3 inoculations or antibody titer Tuberculosis Test—skin test or chest x-ray within last 6 months Flu Vaccine—evidence of inoculation; during flu season (Oct 1 to March 1) Antibody TITER—Hepatitis C (also known as "Hep C Screen"; tests for previous exposure to Hep C)
Intermediate students: Current NREMT / DSHS EMT Basic certification
Paramedic students: Current NREMT AEMT and/or DSHS EMT-Intermediate certification
 <u>DURING Clinical Orientation</u> (see catalog, class description for scheduled dates) Uniform order (clinical) Review and understand clinical requirements and policies HIPAA training

College of the Mainland Fire Academy and EMS programs requires a physical examination by a licensed physician/health care provider to ensure the student's ability to safely complete the programs.

Fire Academy/EMS Physical Form

Medical Provider: Please evaluate the student's ability to meet the following standards:

Y es	No	N/A	Sufficient Eyesight: observe patients, read records, manipulate equipment. Function in dim light, drive in hazy conditions. Wear protective eyewear.
			Sufficient Hearing: to hear blood pressures and function in high-noise environments.
			Sufficient speaking, reading, writing skills : to effectively and promptly communicate in English.
			Sufficient gross and fine motor coordination: to manipulate equipment, stoop, bend, crawl, reach, twist, balance, grapple, bend and lift under emergency conditions.
			Satisfactory physcial strength and endurance: to move immobile patients, lift/carry/balance 125 lbs while walking, stand in place for long periods of time, complete clinical rotation of 12 to 24 hours. Tolerate environmental extremes (heat/cold/wet/poor ventilation/noise/vibrations).
			Satisfactory psychological function: ensure safety (self, patient, partners), function in confined space, work at height, maintain self-control in emotionally charged situations.
			Can this student medically tolerate various types of respirators? Examples include simple N95 to avoid infectious exposure and various hazmat/firefighting masks. Examples of these include: air-purifying respirator, supplied-air respirators, and self-contained breathing apparatus.
*_			*FIRE ACADEMY candidates only (mark N/A if student does not plan to attend Fire Academy-now or within the year): perform while wearing protective clothing/gear, approximately 65 lbs., climb stairs with equipment weighing approximately 50 lbs., lift and climb/descend ladders (with victims up to 200 lbs).

STUDENTS: Be sure to keep a copy of this form for your personal records. COM will not provide you a copy in the future.

Updated 2/22/2016 3

EMS Program Criminal Background Check and Drug Screening Policy

Purpose:

Drug testing and criminal background checks will be required of all COM EMS students. Ability to complete the EMS Program is contingent upon successful clearance of background check and drug screening. Successful completion of a *school* background check and/or drug screening does not guarantee licensure or employment after graduation. If you have any uncertainty, please contact the EMS Program Director or Clinical Manager prior to enrollment.

Timing of Criminal Background Check and Drug Screening:

All applicants selected for the program will be required to have a drug screening and criminal background check prior to being fully accepted into the COM EMS Program. COM will designate the agency selected to do the criminal background screening and drug screening.

The student will pay the cost of the background check prior to registration. The student will pay the cost of the drug screening at the time of the testing. It will be incumbent upon each student seeking admission to the program to complete the required authorization form and submit it to the designated company in a timely fashion so that results are received by the college PRIOR to the established deadline.

Results of the drug screening and background check will be sent directly to the EMS Program Director at the college. Drug testing and criminal background checks will be conducted at the student's expense. The student will also sign and return to COM, a consent form indicating knowledge of this policy. The results will be accepted for the duration of the student's enrollment in the EMS Program if the participating student has not had a break in enrollment at the College, and if the student has had no disqualifying allegations or convictions while enrolled. A break in enrollment is defined as nonattendance of one full semester or more and attendance must be verifiable through the college.

Unsatisfactory Results:

A student with a significant criminal background screen will not be eligible to enroll in the EMS Program. A significant criminal background screen means a conviction for any matter which clinical affiliates deem unacceptable. These vary from site to site.

Non-negative drug screens will result in dismissal. COM encourages impaired students to seek assistance voluntarily and assume responsibility for their personal conduct. The applicant will be required to provide documentation of successful treatment, after a minimum of one-year ineligibility, prior to being considered for future admission to the EMS Program.

Record Keeping:

All criminal background information will be kept in confidential electronic files by the investigating agency and archived for seven years. The EMS Program Director and Clinical Coordinator may have access to these files at any time.

Student Responsibility:

If the student believes his or her background information is incorrect, he will have an opportunity to demonstrate the inaccuracy of the information to the investigating agency.

All researching of court records and documents and any cost associated with this process will be the responsibility of the student. Students will sign a release form that gives the EMS Program Director and Clinical Coordinator the right to receive their criminal background and drug screening information from the agency.

All Students:

The College of the Mainland Emergency Medical Services Program enforces a "drug free" policy. Any student exhibiting behavior which suggests impairment related to drugs and/or alcohol will be subject to a mandatory chemical dependence assessment. The student will be escorted to the designated drug testing facility by a faculty member for drug screen testing. All testing costs are the responsibility of the student. A student who either refuses the test or has a non-negative drug test, as determined by the medical review officer, will not be allowed to continue in the Program. The student will be held to the same withdrawal requirements described in the paragraph above.

EMS Program CONSENT FOR RELEASE OF INFORMATION Background Check and Drug Screening

STUDENTS: Take this form with you to the testing center.
