

OSHA Outreach Training

Increase your employees' ability to recognize hazards in their workplace and know how to address them - the Occupational Safety and Health Act requires it. The Gulf Coast Safety Institute (GCSI) offers courses for both General Industry and Construction worksites. All courses are taught by OSHA Authorized Outreach Instructors. Department of Labor Wallet cards are issued for successful completion.

Construction 10 Hour: NO COST - Taught by the Texas Department of Insurance (TDI) Safety Training Division. Classes are taught monthly—alternating Spanish and English each month. Contact TDI directly for registration at safetytraining@tdi.texas.gov, or by phone: (512) 804-4610.

General Industry 10 Hour: NO COST - Taught by GCSI staff. See the GCSI web site for registration details at www.com.edu/gcsi.

General Industry 30 Hour: Available at your location or at the GCSI. Call the GCSI for pricing at 409-933-8162. Scheduled courses at GCSI are *\$295/\$300 for in/out-of-district. Registration is through the College of the Mainland Continuing Education Department at 409-933-8586 or 1-888-258-8859, ext. 8586. Contact the Gulf Coast Safety Institute for more details at 409-933-8162.
