

OSHA 10 and 30 Hour Training

The Gulf Coast Safety Institute (GCSI) offers courses for both general industry and construction workers. These courses are taught by OSHA authorized outreach instructors. Department of Labor wallet cards are issued upon successful completion of each class. *Students must attend **all** hours to receive wallet cards.*

OSHA 10-Hour Class for Construction: This training is intended to provide entry-level workers information about their rights and employer responsibilities and how to identify, prevent and abate job-related hazards. Taught by Texas Department of Insurance (TDI) Safety Training Division. Classes are taught at no cost and alternate between Spanish and English each month. Contact TDI directly for registration at safetytraining@tdi.texas.gov, or by phone: 512-804-4610.

OSHA 10-Hour and 30-Hour Classes for General Industry: OSHA 10-Hour and OSHA 30-Hour General Industry courses are taught by GCSI instructors.

- OSHA 10-Hour class: This training is intended to provide entry-level workers information about their rights and employer responsibilities and how to identify, prevent and abate job-related hazards. Cost: No cost.
- OSHA 30-Hour class: This training is targeted to general industry workers with some safety responsibility. Cost: \$295/\$300 for in/out-of-district.

Register for these classes through the College of the Mainland Continuing Education Department at 409-933-8586 or 1-888-258-8859, ext. 8586.
