OSHA 30-Hour Training

The Gulf Coast Safety Institute (GCSI) offers courses OSHA 30 Hour for construction. These courses are taught by OSHA authorized outreach instructors. Completion certificates and Department of Labor wallet cards are issued upon successful completion of each class. *Students must attend* ***all*** *hours to receive wallet cards.*

Who should attend?

Supervisors, foreman, managers or those with some safety responsibility.

The 30-Hour Outreach course covers specific OSHA requirements as they apply to industry work sites and teaches safety awareness which helps in recognizing and reducing the risks of hazards. The course puts emphasis on hazard identification, avoidance, control and prevention and is intended for supervisors or workers who have some safety responsibility.

The cost for the 30-Hour Outreach course is $295/300* for in/out-of-district residents.

All course are held at Gulf Coast Safety Institute, 320 Delany Road, La Marque, Texas 77568.

Register for these classes through the College of the Mainland Continuing Education Department at 409-933-8586 or 1-888-258-8859, ext. 8586.

OSHA 30-Hour Construction
