Dear Prospective Student,

Thank you for your interest in the **Certified Nurse Aide Certificate Program** at College of the Mainland. Consideration for acceptance into the program is based upon the submission of your completed application.

**What is a Certified Nurse Aide?**
A CNA’s job scope can vary depending upon the setting (ex. hospital, nursing home or other long-term care facility) that he or she chooses to work in. Nurse Aides help care for physically or mentally ill, injured, disabled, and other types of individuals that are confined to hospitals, long-term care nursing facilities & other settings. Under the supervision of nursing or medical staff, Nurse Aides provide compassionate basic care for patients, including but not limited to:
- making beds
- serving meals & assisting with feeding
- assisting patients’ with dressing and bathing
- taking patients’ vitals – ex. temperature, blood pressure, etc.
- assisting patients in getting in and out of bed, walking, etc.
- monitoring & observing patients’ conditions – physical, mental, emotional or other; and reporting any changes to the charge nurse

Preparing students to flourish in a demanding role, the COM Certified Nurse Aide Program includes a combination of classroom and clinical instruction. COM’s Instructors are registered and licensed vocational nurses who teach from their experience. Students successfully completing these courses will be prepared to take the state exam.

**Do I need a High School Diploma or GED?**
No; A High school diploma or GED is NOT required to participate in the CNA training program but may be required for Financial Aid application as well as employment at various nursing and medical facilities.

**How do I begin?**
Interested students must apply to the Certified Nurse Aide training program by submitting, in person, all required application documents to the CE Allied Health Department located at 200 Parker Court, League City, Texas 77573. **Please note: INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED.** Also, approval of an application does **NOT** guarantee a student a place in the class, it only gives the ability to register **Pending Space Availability.** Please contact Nichole Sullivan at (409) 933-8645 if you have questions.

**Criminal Background Checks**
Please be advised that as part of the State requirements for successful completion of the Certified Nurse Aide Program, **clinical rotations in a DADS (Department of Aging & Disability Services) approved facility are mandatory.** Because of this, we adhere to the guidelines set forth in the Health and Safety Code; Chapter 250. Nurse Aide Registry and Criminal History Checks of Employees and Applicants for Employment in Certain Facilities Serving the Elderly, Persons With Disabilities, or Persons With Terminal Illnesses; Sec. 250.006. Convictions Barring Employment (http://www.statutes.legis.state.tx.us/Docs/HS/htm/HS.250.htm) Chapter 250, Health and Safety Code, requires that persons convicted of certain crimes may not be employed in direct contact with an individual in specified facilities and agencies providing care to the aged and disabled. Criminal history checks are required for providers listed below:
• Nursing home, custodial care home, or other institution licensed by the Department of Aging and Disability Services (DADS) under Chapter 242, Health and Safety Code.
• Assisted living facility licensed by DADS under Chapter 247, Health and Safety Code.
• Adult day care facility or adult day health care facility licensed by DADS under Chapter 103, Human Resources Code.

• Home and community support services agencies licensed by DADS under Chapter 142, Health and Safety Code.

As part of your training, you will be performing hands on patient care, therefore applicant criminal history reports are held to the criteria set forth in this State Health and Safety Code.

Documenting History of Illness: Varicella (Chickenpox)

This form summarizes the “Exceptions to Immunization Requirements (Verification of Immunity/History of Illness) for Varicella (Chickenpox).”

A written statement from a parent (or legal guardian or managing conservator), or physician attesting to the student’s positive history of varicella disease (chickenpox), or of varicella immunity, is acceptable in lieu of a vaccine record for that disease. College of the Mainland shall accurately record the existence of any statements attesting to previous varicella illness or the results of any serologic tests supplied as proof of immunity. If a student is unable to submit such a statement or serologic evidence, varicella vaccine is required.

Documentation of prior varicella illness can be provided by the following methods:

1. A serologic confirmation of varicella immunity (positive varicella IgG result).

2. A written statement from a physician or the student’s parent or guardian containing wording such as: “This is to verify ____________________________ had varicella disease (chickenpox) on or about _________________________ and does not need the varicella vaccine.”
