Dear Prospective Student,

Thank you for your interest in the Medication Aide Certificate Program at College of the Mainland. Consideration for acceptance into the program is based upon the submission of your completed application.

What is a Medication Aide?
Certified Nurse Aides, who have a strong grasp of basic patient care can further their education to become a Certified Medication Aide. A Medication Aides role includes but is not limited to:

- Providing routine daily medication to patients both oral and topical (such as cream and eye medications)
- Ensuring that the patient actually swallows the medication administered to them (this is extremely important for dementia patients or uncooperative patients)
- Reporting any changes in patient vitals, behavior or other adverse effects from medication
- Duties and responsibilities of the CNA role

Preparing students to flourish in a demanding role, the COM Certified Medication Aide Program includes a combination of classroom and clinical instruction. Students explore every system of the body from cardiovascular to skin and learn about auto immune diseases and Alzheimer’s. COM’s Instructors are registered and licensed registered nurses who teach from their experience. The COM program follows curriculum established by the Department of Aging and Disability Services and prepares students to pass the written state certificate exam.

Students can use the program as a stepping-stone to gain a promotion at their current place of employment or to further their education toward becoming a licensed vocational nurse.

Do I need a High School Diploma or GED?
YES; A High school diploma or GED is required to participate in the Medication Aide training program and may be required for Financial Aid application as well as employment at various nursing and medical facilities.

How do I begin?
Interested students must apply to the Medication Aide training program by submitting, in person, all required application documents to the CE Allied Health Department located at 200 Parker Court, League City, Texas 77573. Please note: INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. Also, approval of an application does NOT guarantee a student a place in the class, it only gives the ability to register Pending Space Availability. Please contact Nichole Sullivan at (409) 933-8645 if you have questions.

Registration
Only applicants that have been approved for the program will be allowed to register. Registration with an approved form MUST be done in person through the CE Office located at the Main Texas City Campus, 1200 Amburn Rd. TVB-1475, Texas City, Texas 77591. For more information please call (409) 933-8586. Registration is a first come, first served basis. Classes may be closed due to maximum enrollment or cancel without notice. Therefore, students are encouraged to register early.
Financial Aid
Financial Aid may be available for the Medication Aide training program if the student qualifies and if there is funding available. Continuing Education students may apply for the Texas Public Education Grant (TPEG-NC). The TPEG-NC covers a portion of tuition fees only (typically 50%) & is a ONE TIME ONLY grant that is available to those students demonstrating a financial need. The remaining portion of the balance is the student responsibility and is due at the time of registration. All application requirements for TPEG MUST be completed at least (2) two weeks prior to class start date. For questions regarding financial assistance, please contact Student Financial Services at (409) 933-8466.

Students: Check your COM email!
Beginning Spring 2016 all COM business will be administered your COM email address. Students will need to setup their COM email account in order to receive any communication from the Financial Aid office, business office, Instructors or other. POLICY STATEMENT 1.0 Completion of Hepatitis B vaccine series prior to direct patient care

The Texas Department of State Health Services (DSHS) rule §97.64, “Required Vaccinations for Students Enrolled in Health-Related and Veterinary Courses in Institutions of Higher Education” [25TAC§97.64, April 2004], requires students enrolled in health-related courses, which will involve direct patient contact in medical or dental care facilities to complete a three dose series of hepatitis B vaccine prior to direct patient care. This rule applies to all medical interns, residents, fellows, nursing students, and others who are being trained in medical schools, hospitals, and health science centers and students attending two-year and four-year colleges whose course work involves direct patient contact regardless of the number of courses taken, number of hours taken, and the classification of student.

Documenting History of Illness: Varicella (Chickenpox)

This form summarizes the “Exceptions to Immunization Requirements (Verification of Immunity/History of Illness) for Varicella (Chickenpox).”

A written statement from a parent (or legal guardian or managing conservator), or physician attesting to the student’s positive history of varicella disease (chickenpox), or of varicella immunity, is acceptable in lieu of a vaccine record for that disease. College of the Mainland shall accurately record the existence of any statements attesting to previous varicella illness or the results of any serologic tests supplied as proof of immunity. If a student is unable to submit such a statement or serologic evidence, varicella vaccine is required.

Documentation of prior varicella illness can be provided by the following methods:

1. A serologic confirmation of varicella immunity (positive varicella IgG result).

2. A written statement from a physician or the student’s parent or guardian containing wording such as: “This is to verify ____________________________ had varicella disease (chickenpox) on or about _________________________ and does not need the varicella vaccine.”
