

HELP BUILD THE FUTURE... ONE SKILLED CRAFT AT A TIME!

Industrial Craft Instructor Recruitment Event

Thursday, Jan. 24, 2019, 5:30 – 7 p.m.

Industrial Education Building #6

(Located on the main campus behind the Science/Math Building near Parking Lot E)

DO you have years of industrial craft experience?

DO you have knowledge to share?

DO you want to train the next generation of workers?

Then you don't want to miss this recruiting event! Come meet COM Industrial Craft Instructors that have transferred their years of field experience to the classroom. Ask questions about what it's like to teach. Tour the Industrial Education Facility and see what equipment is used for training. Resume optional.

For more information call 409-933-8146 or apply online <https://jobs.com.edu>.
