## What is Dual Credit

Dual Credit is a program that allows high school students to enroll in college classes for credit prior to high school graduation. College credits earned through Dual Credit can be applied towards high school and college graduation and can be transferred to other colleges or universities. Students can earn college credit towards their Bachelor's degree or earn college credits toward an Associates.

## Steps to Enroll in Dual Credit

1. Students needing help with the application, sign up for an Advisory Session via Naviance. Apply to COM at [www.applytexas.org](http://www.applytexas.org). ## Top 5 Reasons to get a Jump Start on College Courses

1. Access to Services – Dual Credit students are official college students, having access to the full range of services offered by College of the Mainland. These include college academic planning services, career services, access to the library, tutoring, use of the physical fitness facilities, computer labs and academic support services.
2. Convenience – Courses are taught at the high school campus, at the college or at our learning centers.
3. Close to Home – Dual Credit helps student to transition to college life while still at home.
4. Low Cost – Taking Dual Credit courses at COM Costs considerably less than regular college courses, lowering the overall cost of a college education.
5. Student Success – Successful completion of college-level courses helps the student be successful later in making the transition to college campus. Hands-on experience in navigation the college experience (e.g., the registration process) will enable them to survive when away at college.
