General Information

College of the Mainland (COM) offers courses for students looking to be certified as an EMT-Basic, EMT-Intermediate and EMT-Paramedic. COM’s EMS program is nationally accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) based upon recommendation from Committee on Accreditation of Educational Programs for the EMS Professions (CoAEMSP).

Admissions Requirements

1. All information and required paperwork can be found at www.com.edu/ems.

2. Complete an application for admission into College of the Mainland (www.com.edu “Apply Now”), and complete any necessary college requirements. Call 409-933-8264 if you have any questions about the application.

3. Students must have a clear background to be eligible to register for classes.
   a. Follow the instructions on the LAST PAGE of THIS PACKET.
   b. Once you have submitted a request for a background check, your name will pop up on the department administrator’s list of applicants. You will be contacted after your background check is complete. You will be advised when your registration form is ready for pickup and in-person registration.
   c. Students that have incidents on their background, excluding traffic tickets, should contact the EMS department to discuss any background issues. Ability to attend class does NOT guarantee the ability to get certified.

4. Students must pass an initial drug screen. Forms you need are attached to this packet.

5. Students must also collect the items listed on PAGE 3 of this packet. <<DO NOT SUBMIT THESE PRIOR TO CLASS>>. During the first week of school, you will be given further directions. NOT having these requirements completed will lead to an “F” in the class, so prepare your materials NOW.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: http://www.dshs.state.tx.us/emstraumasystems/qicriminal.shtm?terms=criminal%20background

Should you wish to request a review of the impact of criminal history on your potential EMT Certification prior to or during your quest for a degree, you can visit this link and request a “EMS Criminal History Pre-Screening”: http://www.dshs.state.tx.us/emstraumasystems/formsresources.shtm
This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

CLINICAL
Pre-Course Requirements

Student Responsibilities PRIOR to beginning classes

_____ COMPLETE Clear Criminal History Background check (SEE INSTRUCTIONS, CastleBranch.com—last page)

_____ AFTER completion of Criminal History, obtain signed registration form (you will be emailed when it is ready); register for classes.

_____ Get picture taken and obtain COM student ID (located in the gym)

_____ Obtain an AHA-BLS CPR certification (ONLY American Heart Association BASIC LIFE SUPPORT CPR is acceptable)—expiration MUST be after the end of the semester in which you are attending EMS class.

_____ Complete drug screen—starts on page 5 of this packet

_____ Purchase Textbooks (you may find ISBN numbers for online ordering at www.com.edu/ems)

GATHER THE FOLLOWING ITEMS—additional instructions will be provided at Clinical Orientation.

_____ Completed Physical Exam Form (with acknowledgement of physical requirements)

_____ PPD Current (< 1 yr) proof of a negative TB skin test or negative chest x-ray report

_____ Flu Vaccine—evidence of inoculation during flu season (Oct 1 to March 1) The form is attached to this packet.

_____ Hepatitis C Antibody TITER—(also known as “Hep C Screen”; tests for previous exposure to Hep C)

_____ PROOF of immunizations:
  • MMR--2 inoculations or antibody titer
  • Varicella (Chicken Pox)—inoculation or history of disease or titer
  • Tdap (tetanus/diphtheria/pertussis)—inoculation within last 10 years
  • Hepatitis B—3 inoculations or antibody titer

_____ Intermediate students: Current NREMT / DSHS EMT Basic certification

_____ Paramedic students: Current NREMT AEMT and/or DSHS EMT-Intermediate or AEMT cert

DURING Clinical Orientation (see catalog, class description for scheduled dates)

_____ Uniform order (clinical)

_____ Review and understand clinical requirements and policies

_____ HIPAA training

Updated 4/19/18
College of the Mainland Fire Academy and EMS programs requires a physical examination by a licensed physician/health care provider to ensure the student’s ability to safely complete the programs.

STUDENT: Complete following prior to visiting the doctor. Please PRINT clearly.

Name: _______________________________________________________

Birth Date: ______ / ______ / ______

In case of emergency, please notify:

Last    First    Middle

(Relationship) (Phone number)

Please check if you have had any of the following:

□ Yes □ No  □ Yes □ No

- Lung disease
- Persistant cough
- Heart trouble
- Shortness of breath
- Pneumonia
- Abnormal chest X-Ray
- Recent cold, flu, bronchitis
- Have you ever smoked?
- Do you currently smoke?
- Fainting or seizures
- Neurological problems
- High blood pressure
- Surgery of any type
- Diabetes
- Fear of closed spaces
- Panic attacks/Anxiety
- Vision problems
- Glasses/contacts
- Heat exhaustion/ heat stroke
- Hearing loss
- Hearing aid
- Take any medications
- Joint problems
- Heat-related issues
- Any other condition which may impact program performance

Please explain any “Yes” answers: ____________________________________________________________

Do you have any Allergies (food, medication, environmental)? Please describe reaction. Do you carry an EpiPen?

_____________________________________________________________________________________

I hereby attest that the medical information supplied includes all medical conditions that would affect my participation in the EMS or Fire Academy. I authorize the release of current medical information on my medical history or current condition to clinical affiliates. In case of emergency, I authorize release of same information to relevant medical professionals.

If false information is given, or if significant medical information is withheld, I understand I will be dismissed from the program.

Student Signature _______________________________________ Date: ______________________________
Medical Provider: Please evaluate the student’s ability to meet the following standards:

- **Sufficient Eyesight:** observe patients, read records, manipulate equipment. Function in dim light, drive in hazy conditions. Wear protective eyewear.

- **Sufficient Hearing:** to hear blood pressures and function in high-noise environments.

- **Sufficient speaking, reading, writing skills:** to effectively and promptly communicate in English.

- **Sufficient gross and fine motor coordination:** to manipulate equipment, stoop, bend, crawl, reach, twist, balance, grapple, bend and lift under emergency conditions.

- **Satisfactory physical strength and endurance:** to move immobile patients, lift/carry/balance 125 lbs while walking, stand in place for long periods of time, complete clinical rotation of 12 to 24 hours. Tolerate environmental extremes (heat/cold/wet/poor ventilation/noise/vibrations).

- **Satisfactory psychological function:** ensure safety (self, patient, partners), function in confined space, work at height, maintain self-control in emotionally charged situations.

- **Can this student medically tolerate various types of respirators?** Examples include simple N95 to avoid infectious exposure and various hazmat/firefighting masks. Examples of these include: air-purifying respirator, supplied-air respirators, and self-contained breathing apparatus.

 Remarks/Abnormal Findings: ____________________________________________________________

________________________________________________________

________________________________________________________

________________________________________________________

*FIRE ACADEMY candidates only (mark N/A if student does not plan to attend Fire Academy—now or within the year): perform while wearing protective clothing/gear, approximately 65 lbs., climb stairs with equipment weighing approximately 50 lbs., lift and climb/descend ladders (with victims up to 200 lbs).

After careful physical examination, it is my opinion that this student has no current or past medical issues which will prevent him/her from safely completing indicated program(s).

**Please indicate:**

- [ ] Fire Academy (see special section, above)

Signature: __________________________________________ Date: ________________

Print Name: __________________________________________

- [ ] Physician (MD/DO)
- [ ] Physician Assistant
- [ ] Nurse Practitioner
Purpose:
Drug testing and criminal background checks will be required of all COM EMS students. Ability to complete the EMS Program is contingent upon successful clearance of background check and drug screening. Successful completion of a school background check and/or drug screening does not guarantee licensure or employment after graduation. **If you have any uncertainty, please contact the EMS Program Director or Clinical Manager prior to enrollment.**

Timing of Criminal Background Check and Drug Screening:
All applicants selected for the program will be required to have a drug screening and criminal background check prior to being fully accepted into the COM EMS Program. COM will designate the agency selected to do the criminal background screening and drug screening.

The student will pay the cost of the background check prior to registration. The student will pay the cost of the drug screening at the time of the testing. It will be incumbent upon each student seeking admission to the program to complete the required authorization form and submit it to the designated company in a timely fashion so that results are received by the college PRIOR to the established deadline.

Results of the drug screening and background check will be sent directly to the EMS Program Director at the college. Drug testing and criminal background checks will be conducted at the student’s expense. The student will also sign and return to COM, a consent form indicating knowledge of this policy. The results will be accepted for the duration of the student’s enrollment in the EMS Program if the participating student has not had a break in enrollment at the College, and if the student has had no disqualifying allegations or convictions while enrolled. A break in enrollment is defined as nonattendance of one full semester or more and attendance must be verifiable through the college.

Unsatisfactory Results:
A student with a significant criminal background screen will not be eligible to enroll in the EMS Program. A significant criminal background screen means a conviction for any matter which clinical affiliates deem unacceptable. These vary from site to site.

Non-negative drug screens will result in dismissal. COM encourages impaired students to seek assistance voluntarily and assume responsibility for their personal conduct. The applicant will be required to provide documentation of successful treatment, after a minimum of one-year ineligibility, prior to being considered for future admission to the EMS Program.

Record Keeping:
All criminal background information will be kept in confidential electronic files by the investigating agency and archived for seven years. The EMS Program Director and Clinical Coordinator may have access to these files at any time.

Student Responsibility:
If the student believes his or her background information is incorrect, he will have an opportunity to demonstrate the inaccuracy of the information to the investigating agency.

All researching of court records and documents and any cost associated with this process will be the responsibility of the student. Students will sign a release form that gives the EMS Program Director and Clinical Coordinator the right to receive their criminal background and drug screening information from the agency.
All Students:
The College of the Mainland Emergency Medical Services Program enforces a “drug free” policy. Any student exhibiting behavior which suggests impairment related to drugs and/or alcohol will be subject to a mandatory chemical dependence assessment. The student will be escorted to the designated drug testing facility by a faculty member for drug screen testing. All testing costs are the responsibility of the student. A student who either refuses the test or has a non-negative drug test, as determined by the medical review officer, will not be allowed to continue in the Program. The student will be held to the same withdrawal requirements described in the paragraph above.

# PATIENT CONSENT FORM
## FOR SEASONAL INFLUENZA VACCINE

I have read, or have had explained to me, the CDC Vaccine Information Statement about influenza and the influenza vaccine. I understand that this vaccine may cause flu-like symptoms in some people and in rare incidents Guillain-Barré syndrome. I have had an opportunity to ask questions which were answered to my satisfaction. I understand the benefits and risks of influenza vaccine and request that the vaccine be given to me (or person named below for whom I am authorized to make this request). **Please print:**

**Name:** _____________________________________________ **Date of Birth:** ___/___/____

(____FIRST) (____MIDDLE) (____LAST)

Has the person receiving the vaccine ever had a severe allergic (hypersensitivity) reaction to eggs, chickens, or chicken feathers? ____Yes ____No

Does the person receiving the vaccine have a history of Guillain-Barré syndrome or a persistent neurological illness? ____Yes ____No

Is the person receiving the vaccine pregnant? ____Yes ____No (If yes, LAIV contraindicated, TIV recommended)

Is the person receiving the vaccine allergic to Thimerosal (Preservative found in contact lens solution), any vaccine ingredient, or latex? ____Yes ____No

---

About

About CastleBranch
College of the Mainland - EMS (Background Checks) and CastleBranch – one of the top ten background screening and compliance management companies in the nation – have partnered to make your onboarding process as easy as possible. Here, you will begin the process of establishing an account and starting your order. Along the way, you will find more detailed instructions on how to complete the specific information requested by your organization. Once the requirements have been fulfilled, the results will be submitted on your behalf.

Order Summary

Payment Information
Your payment options include Visa, Mastercard, Discover, Debit, electronic check and money orders. Note: Use of electronic check or money order will delay order processing until payment is received.

Accessing Your Account
To access your account, log in using the email address you provided and the password you created during order placement. Your administrator will have their own secure portal to view your compliance status and results.

Contact Us
For additional assistance, please contact the Service Desk at 888-723-4263 or visit https://mycb.castlebranch.com/help for further information.
