971 College of the Mainland

The faculty, staff, and administration of College of the Mainland (COM) support the \$1.8 billion formula funding request outlined in the July 27, 2016 letter from the Texas Association of Community Colleges.

With the additional funding from the State of Texas, COM will expand upon and enhance its mission as a comprehensive community college, by continuing to provide high-quality workforce programming; programming that supplies local employers with skilled career-ready taxpayers. COM will expand and enhance general education offerings; offerings that will lead to the successful transfer of our students to four-year institutions.

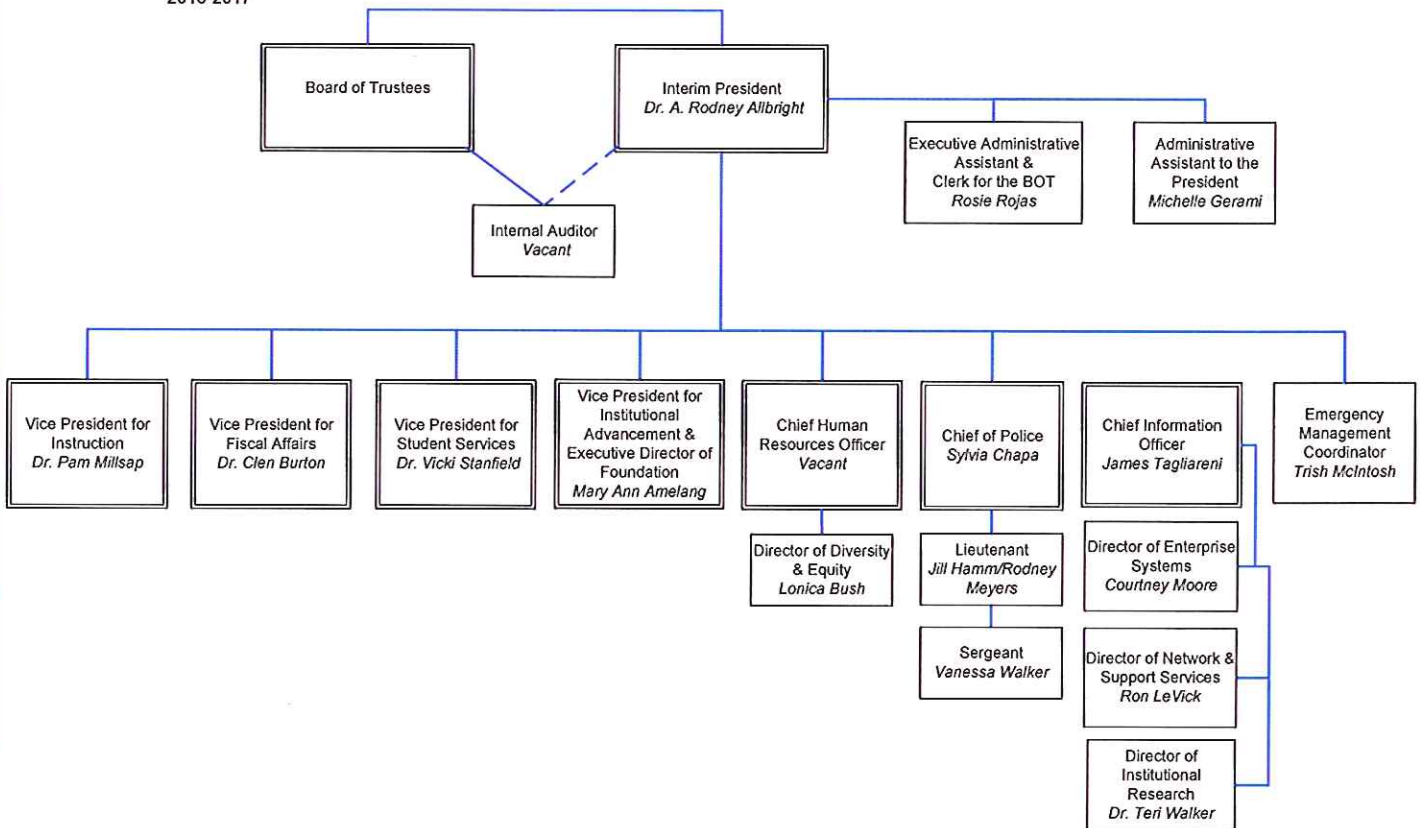

These upgrades and enhancements to COM's workforce and general education programs will help the college provide more services required to meet the State's 60x30TX goals, increase contact hours, and improve success points. Again, the College's administration supports the \$1.8 billion funding request.

The Board of Trustees of College of the Mainland is composed of the following members :
