

# OSHA 10-Hour Training

The Gulf Coast Safety Institute (GCSI) offers OSHA 10-Hour courses for construction workers. All courses listed are taught by OSHA authorized outreach instructors. This training is intended to provide entry-level workers information about their rights and employer responsibilities and how to identify, prevent and abate job-related hazards. Department of Labor wallet cards are issued upon successful completion of each class. *Students must attend **all** hours to receive wallet cards.*

## *Who should attend? Anyone!*

The 10-Hour Outreach course covers specific OSHA requirements as they apply to industry work sites and teaches safety awareness which helps in recognizing and reducing the risks of hazards. The course puts emphasis on hazard identification, avoidance, control and prevention and is intended for all individuals.

The cost for the 10-Hour Outreach course is \$50/55\* for in/out-of-district residents.

All courses are held at Gulf Coast Safety Institute, 320 Delany Road, La Marque, Texas 77568.

Register for these classes through the College of the Mainland Continuing Education Department at 409-933-8586 or 1-888-258-8859, ext. 8586.
