

Greg Smith, CSP

Bio

Greg Smith, CSP, is a principal and co-founder of Vector Risk and Safety, LLC. Greg has more than 30 years of experience in the safety field working in both construction and general industry environments. He holds both B.S. and M.S. degrees in Industrial Hygiene and Safety from the University of Houston-Clear Lake, and the designation of Certified Safety Professional (#15700) from the Board of Certified Safety Professionals.

Greg is an instructor for the University of Cincinnati's OSHA Education Center, and sits on a variety of committees and non-profit boards of directors. He is a working safety professional covering a broad spectrum of industries. He has developed and presented materials at numerous national, regional and local safety events, as well as, regularly conducting training for clients. He has authored materials for the ASSE Construction Practice Specialty' textbook and the ASSE Safety Professionals' Handbook, as well as, a variety of safety articles for other publications.
