Be healthy

Good dental health is a reflection of good overall health. For example, the Academy of General Dentistry says there is a link between gum disease and heart problems, and the American Academy of Periodontology says severe gum disease can increase blood sugar, thereby increasing risk among diabetics. The State of Texas Dental Choice PlanSM focuses on prevention, providing two routine exams and cleanings per calendar year.

Be financially savvy

Your dentist can often detect medical issues before they become severe. The State of Texas Dental Choice PlanSM offers you a list of covered services to take care of your health and your pocketbook.

Be successful

Did you know that 74% of adult Americans believe an unattractive smile could hurt a person's chances for career success? That's according to the American Academy of Cosmetic Dentistry. The State of Texas Dental Choice PlanSM helps you maintain a healthy smile.

My Dental IQ

My Dental IQ promotes routine dental care—not only to improve good oral health, but possibly to help to reduce total health care costs over time. Research shows that periodontal (gum) disease can cause or aggravate health problems elsewhere. The dental health risk assessment at **MyDentalIQ.com** takes minutes to complete, and immediately delivers a scorecard with health tips tailored to you.

HumanaDental

The State of Texas Dental Choice PlanSM is administered by HumanaDental Insurance Company.

Use your HumanaDental benefits

Find a dentist

With the State of Texas Dental Choice PlanSM, you can see any dentist, but you save up to 30% on out-of-pocket costs when you visit a dentist in HumanaDental's PPO Network. Participating dentists will also file a member's claim. To find a dentist in HumanaDental's PPO Network, log on to **www.HumanaDental.com/ers**, or call (877) 377-0987.

Know what your plan covers

You can see a summary of HumanaDental benefits on the back of this flier. Your Master Benefit Plan Document describes in detail your HumanaDental benefits. You can find it on *MyHumana*, at **www.HumanaDental.com/ers**, or call (877) 377-0987.

See your dentist

Simply present your HumanaDental identification card when you see your participating dentist. It contains all the information your dentist needs to submit your claims. If you see a non-participating dentist, you may have to file your own claim and you will have higher out-of-pocket costs.

Learn what your plan paid

After HumanaDental processes your dental claim, you will receive an explanation of benefits or claims receipt. It provides detailed information on covered dental services and amounts paid, plus any amount you may owe your dentist. You can also check the status of your claim on *MyHumana* at **www.HumanaDental.com/ers**, or by calling (877) 377-0987.
