

## **LVN (Juvenile Probation)**

- **Type:** Full Time
- **Salary/Pay Rate:** \$18.05 - \$21.56/hourly
- **Posted Date:** 03/02/2016

High school diploma or general equivalent required; must be at least 21 years of age; be a licensed vocational nurse licensed to practice in the state of Texas and a minimum of 3 years nursing experience. The LVN reports directly to the health services director and ultimately to the chief juvenile probation officer. The LVN will, under the supervision of the health services director, assist with meeting the health needs of the juveniles in detention, the juvenile justice alternative education program and residential facility as well as being a medical resource for the department as the need arises. Duties include but are not limited to; assists with medication disposal; inventories supplies biweekly and generates order list as needed; assists with education programs for staff and juveniles; shares call duty with the health services director; provides first aid as needed; assists in obtaining appropriate medical services for juveniles; notifies parents/guardians of need to refill medications; follows board of nurse examiners regulations; maintains records of health services on juveniles; assists with sick call daily and consults with the health services director on suspected problems; maintains cardiopulmonary resuscitation and first aid certification; maintains licensing as a licensed vocational nurse. Work Hours - 7:00 A.M. to 6:00 P.M. Friday through Monday and additional hours as needed. Salary range is \$18.05 - \$21.56 per hour depending on qualifications and experience. Please apply at the Brazoria County Human Resources Dept. or applications may be obtained and submitted at this website.
