

Memorial Hermann has a Nurse Residency Program that is geared towards those who will be joining the nursing profession in the next few months. It is a program that helps novice nurses develop into competent and confident healthcare providers by using a broad range of professional development strategies in a supportive setting.

Goals of the program include:

- ✓ Transition the new graduate nurse from an advanced beginner to a competent professional nurse
- ✓ Create Clinical Nurse Leaders that ADVANCE Health at the bedside
- ✓ Integrate clinical competency and critical thinking skills to safely practice in a preferred clinical specialty
- ✓ Collaborate with Clinical Experts to promote evidence-driven practice
- ✓ Strengthen the commitment to the nursing profession
- ✓ Provide strong coaching to bridge the gap between education and practice

Information about the Nurse Residency Program, program requirements and the application can be found online at <http://www.memorialhermann.org/careers/nurse-residency-program/>.

Applications will be accepted from Monday, May 15th until Thursday, June 1st.

Have a wonderful week and please let me know if you have any questions or concerns.

Thank you,
Kristen
