College of the Mainland

Nursing Physical Assessment Form

Name:_____ Birth Date:_____/_____/_____
Last First Middle

In case of emergency, please notify: _____
Last First (Relationship) (Phone number)

Medical Provider: *College of the Mainland Nursing Program requires a physical examination by a licensed physician/health care provider. Please evaluate the student's ability to meet the following standards:*

Yes	No	
☐	☐	**Does this student have sufficient ability to communicate with healthcare professionals and patients?** The student must have the ability to explain treatment procedures, patient education, prompt communication with healthcare providers, and document nursing actions.
☐	☐	**Does this student have sufficient gross and fine motor coordination?** The student must have the ability to manipulate equipment, aspirate medications using calibrated syringes of one-hundredth increments, palpate, stoop, reach, twist, balance, bend, and lift under emergency conditions.
☐	☐	**Does this student have satisfactory physical strength and endurance?** The student must be able to move immobile patients with assistance, lift/carry/balance up to 25 pounds while walking, and be able to walk frequently during a 12-hour clinical shift.
☐	☐	**Does this student have sufficient physical ability to move from room to room and in small spaces?** The student must be able to walk around in a patient's room, work in small spaces, and small treatment areas.
☐	☐	**Does this student have satisfactory psychological function?** The student must have the ability to ensure safety of self, patient, and colleagues; function in confined spaces, and maintain self-control in emotionally charged situations.
☐	☐	**Does this student have sufficient auditory ability to monitor and assess a patient's health needs?** The student must have the ability to hear monitoring devices and alarms, to hear a patient's cries for help, and distinguish sounds through a stethoscope.
☐	☐	**Does this student have sufficient visual ability for observation and assessment necessary for patient care?** The student must have the ability to observe a patient, view calibrated syringes for aspirating medications, and observe a patient's response to interventions?

Remarks: _____

_____

_____

_____

Statement of Health Status: After careful physical examination, it is my opinion that this student is physically and psychologically able to perform the requirements for the nursing program.

Nursing Student Health Insurance Form

Students in the COM Nursing Programs are required to have a form of health insurance. You must carry proof of health insurance at all times during clinical rotations. Please fill out the form below, and upload this document and proof of health insurance coverage to the Nursing Student Portal. Health insurance coverage cannot expire at any time while in the program. Failure to comply may result in disciplinary action up to dismissal from your nursing program track. Providing invalid documents will result in disciplinary action up to dismissal from your nursing program track.

You may call or email the nursing department at (409) 933-8425 or nursing@com.edu if you have questions or concerns regarding nursing student health insurance coverage.
