Associate Degree Nursing Program – Full-Time Pre-licensure Track

About the Career

Registered nurse: \$70,000 per year (\$33.65 per hour)
Bureau of Labor Statistics, 2017 median pay

Registered nurses provide patient care at doctors' offices, clinics, and hospitals. As the U.S. population ages, registered nurses are in ever-greater demand.

About the Program

The COM Associate Degree Nursing Program prepares students for rewarding careers through hands-on classes, labs, and clinical experiences at health care facilities. Professors teach small classes, are available for extra help and dedicate themselves to students' success. Nursing tutors are available for individual and group sessions at no cost to the student.

Certificates must be current and approved by a state agency to be considered for points. A degree must be health related. Points will only be awarded for the highest/certificate submitted.

NOTE: It is strongly recommended that students not work from 8-5p.m. the first week of class due to pre-clinical orientation.

Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements:

https://www.bon.texas.gov/licensure_eligibility.asp.

Should you wish to request a review of the impact of criminal history on your potential Registered Nurse License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation”:

https://www.bon.texas.gov/licensure_endorsement.asp.

This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.
