# Texas Tech University And College of the Mainland Student Access and Success Articulation Agreement

---

## Parties

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and College of the Mainland (“COM”) (together “institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). COM considered as a whole and this Agreement extends to all campuses within the COM system or district. TTU and COM enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning.

## Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s 60x30TX Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency in the Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

College of the Mainland was established in 1966 in Texas City, Texas. College of the Mainland offers a wide variety of Associate degree programs. College of the Mainland is accredited by the Southern Association of Schools and Colleges Commission on Colleges (SACSCOC).

College of the Mainland is a learning-centered, comprehensive community college dedicated to student success and the intellectual and economic enrichment of the diverse communities we serve. The vision of the college is that College of the Mainland will be a valued and vital community partner by enriching our community and preparing our students to thrive in a diverse, dynamic and global environment.

College of the Mainland is fully committed to implementing instruction based on the Guided Pathways philosophy. Our goal is to shorten the time a student must spend at the college to earn a degree and to reduce the number of credit hours a student earns on the way toward attaining that degree. College of the Mainland is committed to working with four-year institutions to build

seamless transfer pathways so that a student's transfer to a four-year institution is as smooth as possible
